

ACTS 5:12-32 (or all of Ch. 5)

GOD'S PURPOSES IN JESUS ALWAYS PREVAIL!

DISCUSSION QUESTIONS

1. What 'outcomes' are you concerned or worried about this year?
2. If 'God is Creator' and always able to achieve His purpose, and His purpose in 'In the Name of Jesus' is for His church to be in partnership with Him, why should this give us confidence? (See John 15:16; Philippians 1:4-6; 1 Thessalonians 5:23-24)
3. How much do we desire what God desires for us in Jesus? (see C.S. Lewis quote: "Every Christian is to become a little Christ. The whole purpose of becoming a Christian is simply nothing else.") You may like to ask God to give you a clearer vision of His good and beautiful purposes for you in Jesus.
4. What internal compulsions from the Holy Spirit have you sensed, calling you into a greater freedom from fear? Or how might God be wanting to draw you near to Himself? (You may like to take some time to try to listen to God now).
